

For King & Country - Together

tom:
Capostrate na 3ª casa

Bb (forma dos acordes no tom de G)

Ah ah-ah ah ah-ah ah

Ah-ah ah ah

Ah-ah ah ah

This is for the busted heart

This is for the question mark

This is for the outcast soul, lost control, no one knows

Singing for the can't go back

Singing for the broken past

Singing for the just found out, life is now, upside down

If you're looking for hope tonight raise your hand

If you're feeling alone and don't understand

If you're fighting in the fight of your life, please stand

We're gonna make it through this hand in hand

If we fall

We will fall together

Together

This is for the second chance

This is for the real romance

Singing for the loved in vain, overcame, it's not too late

If you're looking for hope tonight raise your hand

If you're feeling alone and don't understand

If you're fighting in the fight of your life, please stand

We're gonna make it through this hand in hand

If we fall

We will fall together

Together

When we rise

We will rise together

Together

Ah ah-ah ah ah-ah ah

Ah-ah ah ah

Ah-ah ah ah

If you're looking for hope tonight (you're all alone)

If you're feeling alone tonight (and you feel it)

If you're looking for love tonight (I can promise)

We're gonna make it happen

Then I will be by your side (by your side)

Love is in the air tonight (can you feel it?)

Come up and see the light

Forever and ever just as long as we're together

If we fall

We will fall together

Together

When we rise

We will rise together

Together

Together we are dangerous

Together with our differences

Together we are bolder, braver, stronger
