Daylight, all right

I don't know, I don't know if it's real
Been a long night and something ain't right

You won't show, you won't show how you feel
No time ever seems right

To talk about the reasons why you and I fight
It's high time to draw the line
Put an end to this game before it's too late

Head games, it's you and me baby
Head games, and I can't take it any more
Head games, I don't wanna play no head games

I daydream for hours it seems
I keep thinking of you, yeah, keep thinking of you
These daydreams, what do they mean?
They keep haunting me, are they warning me?
Daylight turns into night
We try and find the answer but it's nowhere in sight
It's always the same and you know who's to blame

You know what I'm sayin', still we keep on playin'

Head games, that's all I get from you
Head games, and I can't take it any more
Head games, I don't wanna play no head games

So near, so far away
We pass each other by 'cause we don't know what to say
It's so clear, I'm sorry to say
But if you wanna win you gotta learn how to play

Head games, always you and me baby
Head games, 'til I can't take it any more
Head games, instead of makin' love, head games, oh

Head games, always you and me baby
Head games, 'til I can't take it any more
No more head games, instead of makin' love we play head games

Head games, in the first degree
Head games, yeah, always you and me
Head games, why do you do it baby?
Head games, you put me through it baby
