(**F#m**, **Bm7**)
Pushing boundaries
I spy with my glassy eyes
A turning point to my whole life
Rising in these palm trees
That's me

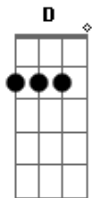

Wearing trunks in december
Writing to remember

Leaking on the road side
Minding the steps, minding the crap
Praying for my good angel
Praying for my know-how

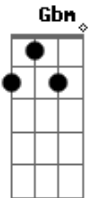

Planning my costumes for the next carnival
That's my heart
Distressed and colorful
A burning shuttle in the deep blue
A sparkling water swimming pool

Gbm **Bm7**
Cosmoman vibration gig-ê
Gbm **Bm7**
Cosmoman vibration gig-ô
Gbm
Bolo cosmoman, bolo cosmoman
Bm7
Cosmoman bolo
