

Forfun - Complicated

Tom: **B**

B
Chill out, whatcha yelling' for?
Ab
Lay back, it's all been done before
E **Gb**
And if, you could only let it be, you will see
B
I like, you the way you are
Ab
When we're, drivin' in your car
E **Gb**
And you're, talking to me one on one, but you've become

E
Somebody else, round everyone else
Ab
You're watching your back, like you can't relax
E
You're tryin' to be cool, you look like a fool to
Gb
Me, tell me

Ab **E** **B**
Why you have to go and make things so complicated?
Gb
I see the way you're
Ab **E** **B**
Acting like you're somebody else, gets me frustrated
Gb
Life's like this you
Ab **E**
And you fall, and you crawl, and you break
B **Gb**
And you take, what you get, and you turn it into
Db **E**
Honesty and promise me I'm never gonna find you fake it
No no no

B
You come, over unannounced
Ab
Dressed up, like you're somethin' else
E **Gb**
Where you, are and where it's at you see, you're making me
B
Laugh out, when you strike your pose
Ab
Take off, all your preppy clothes
E **Gb**
You know, you're not fooling anyone, when you've become

E
Somebody else, round everyone else
Ab
You're watching your back, like you can't relax
E
You're tryin' to be cool, you look like a fool to
