

Forrest. - Always

tom:

F

Wherever you go, wherever you stay
 Don?t you forget that love is always coming your way
 No matter how far, how broken you are
 Don?t you forget that love is always coming your way
 Always (Ayy, look)

[Primeira Parte]

I don?t know you, but I know you got tension in your neck
 Stressed out, too addicted to your phone to go to bed
 If that?s you, then take a breath
 Yeah, feel these words inside your chest

[Pré-Refrão]

You are loved, you are chosen, your body isn?t broken
 For every door that closes, a better one gets opened
 You got a light inside, too radiant to hide
 If you don?t think so, let me change your mind

[Refrão]

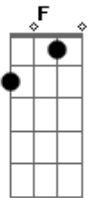

Wherever you go, wherever you stay
 Don?t you forget that love is always coming your way
 No matter how far, how broken you are
 Don?t you forget that love is always coming your way

Always (Ayy, look)

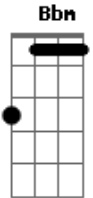

[Segunda Parte]

And you ain?t got to do a thing to get that love
 You ain't gotta act nice to get that hug
 It don't matter if you stuck inside that mud

The sun still gon' be shining down on us
 If you've ever felt left out, burdened, and weak
 I promise that the lie straight from the enemy
 Come and fill your mind, body, soul, and energy
 But do not be deceived 'cause

[Pré-Refrão]

You are loved, you are chosen, your body isn?t broken
 For every door that closes, a better one gets opened
 You got a light inside, too radiant to hide
 If you don?t think so, let me change your mind

[Refrão]

Wherever you go, wherever you stay
 Don?t you forget that love is always coming your way
 No matter how far, how broken you are
 Don?t you forget that love is always coming your way
 Always

[Final]

(Hey) Uh, uh
 (Hey) Uh, uh
 Wherever you go, wherever you stay
 Don?t you forget that love is always coming your way
 No matter how far, how broken you are
 Don?t you forget that love is always coming your way
