tom:

Am F7M
Take me away

Am F7M
Outside, I want to be in Your paradise

Am F7M
Take me away

Am F7M
From here, I want to be where the air is clear

Am F7M
Take me away

Am G
Yes, please, I want to be livin' in the breeze

Am F7M
Take me away

Am F7M
That's right, I want to be in Your paradise (woah, yeah)

Am
Take me away, Lord, to where You reside

F7M
Where there's no shadows or darkness to hide

Am
I want to be where the burden is light

F7M
And there's no reason to work overtime

Am
Just living in the moment (ayy), breathing in the air

F7M
Lifting up our praises (ayy) to the god who is always there

Am
Singing one love, one light

F7M
No wrongs, just right

Am
One love, one light

F7M
No wrongs, just right

Am F7M
Take me away

Am F7M
Outside, I want to be in Your paradise

Am F7M
Take me away

Am F7M
From here, I want to be where the air is clear

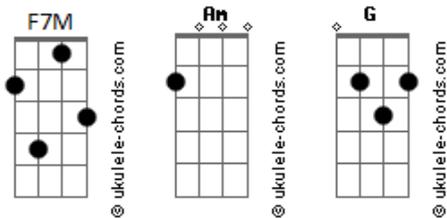

Am F7M
Take me away

Am F7M
