

Forró Bemtivi - Pra Balançar, Pra Botar Quente

tom:

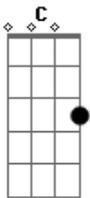

C

Se prepare moreninha, preta, lourinha, atraente
 A gente chegou pra balançar, pra bota quente
 A banda é boa, o grupo é bom, poeira voa

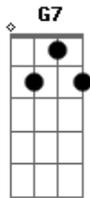

No forró que a gente toca, não fica ninguém à toa

0 sanfoneiro toca, sanfona que balança
 0 Zabumba, esquenta, bota fogo na dança
 No triângulo eu comando no gogó
 Todos vibram com a gente no forró
