

Forró Sotaque Bacana - A Oração de Jonas

Tom: C

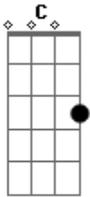

Eu estava cercado de água até o pescoço
 Na minha aflição clamei por socorro
 Invoquei a Javé e ele me atendeu
 A salvação vem de Deus
 Jogate-me nas profundezas

Dm
 C G

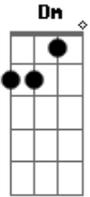

O lodo agarrava a minha cabeça
 Eu entre cânticos de louvor, a ti presto culto meu Senhor
 Aqueles que adoram ídolos que são coisas sem valor
 Deixaram de ser fiéis a ti, meu Senhor
 O Senhor deu ordem ao peixe e ele vomitou
 Jonas na praia assim salvou
