

Fort Atlantic - Let Your Heart Hold Fast

tom:
 B (forma dos acordes no tom de Bb)
 Capotraste na 1ª casa
 Intro: E A Dbm

[Primeira Parte]

All may days are spent
 All my cards are dealt
 Oh the desolation grows
 Every inch revealed
 As my heart is pierced
 Oh my soul is now exposed

In the oceans deep
 In the canyons steep
 Walls of granite here I'll stand
 All my desperate calls
 Echo off the walls
 Back and forth then back again

[Refrão]

To believe I walk alone
 Is a lie that I've been told
 So let your heart hold fast

Acordes

For this soon shall pass
 Like the high tide takes the sand

[Ponte]

Oh, oh, oh, oh, oh
 Oh, oh, oh, oh, oh
 Oh, oh, ooooh, ooooh, ohhhh, oh, oh

Oh, oh, oh, oh, oh
 Oh, oh, oh, oh, oh
 Oh, oh, ooooh, ooooh, ohhhh, oh, oh

[Segunda Parte]

At the bitter end
 Salt and liquid blend
 From the corner of my eyes
 All the miles wrecked
 Every broken step
 Always searching always blind
 Never fear, no, never fear
 Never fear, no, never fear
 So let your heart hold fast
 For this soon shall pass
 There's another hill ahead
