

Foster The People - Goats In Trees

Tom: G

B Am G G2
I was caught inside the wreck
D G
Never found my way out
Gbm E
I was filled with indifference
B Abm G G2
The animals were getting tired
D G
So I sang them a song
Gbm E
'cause they promised not to take too long

B Am G G2
I can't find my way back home
D G
I'll listen to you if you want me to
Gbm G
But you have to share a smoke
B Abm G G2
Yeah I've been running against the wind
D G
And I can't hear the angels calling
Gbm G
The madness has been pulling me right

Em
Back out of my stride
Gbm
I feel the change in the rising tide and
Em
Blood is in the room
Gbm D
I buried all my wrongs there with my youth
(D) G Gbm
(Don't give up on me now)
D
I'm on the outside
(D) G Gbm
(Don't give up on me now)
B Am G G2 D G Gbm E
And I'm falling apart

B Am G G2
Well please to meet you, excuse my hands
D G
I've been bitten by an enemy
Gbm G
That's pretended to be my friend
B Abm G
No I never wanted to be like them
G2 D
I thought I was just too clever
G Gbm G
To be brought down to their level of misfortuned chagrin

B Am G
I don't care about what it's worth
G2 D G
But if you lift this burden off my back
Gbm E
I'll follow you to the bloody end
B Abm G
I've lived my life the way I want
G2 D G
But no one can tell me they're not afraid
Gbm G
Of the freedom of deliverance

Em
Well I take it all in stride
Gbm
I feel the change in the rising tide
Em
And someone's in the room
Gbm G
I buried all my guilt there with my youth
(D) G Gbm
(Don't give up on me now)
D
I'm on the outside
(D) G Gbm
(Don't give up on me now)
D
But it's warm on the outside
(D) G Gbm
(Don't give up on me now)
G
That's a lie

A B
I don't wanna fall apart
