[Primeira Parte]

Yeah, it's over, it's over
I'm circling these vultures
Got me praying, man this hunger
Feeling something rotten
Last time I saw you said "What's up?"
And pushed right through
Then I tried to catch you
But we're always on the move
And now it's over, we're sober
Symptoms of the culture
And the night ain't getting younger
Last call's around the corner
Feeling kinda tempted
And I'm pouring out the truth
Just fading out these talkers 'cause now
All I want is you

[Refrão]

I'm saying come over here, sit next to me
We can see where things go naturally
Just say the word and I'll part the sea
Just come over here, sit next to me
I'll take you high
High

[Segunda Parte]

Well I ain't frontin' my intention
Got your man outlined in chalk
It's a midnight intervention

Got no plans to make it stop
Last time I saw you said
You wanna keep it light
But I'm here to tell you
I'm not trying to change your mind
It's alright, ooh ooh
It's alright, ooh

[Refrão]

Yeah, come over here, sit next to me
We can see where things go naturally
Just say the word and I'll part the sea
Just come over here, sit next to me
I'll take you high
High
