

Foundring - Me Mom Died In The Holly

tom:

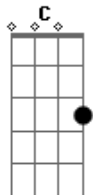

Me mom was such a hapy gal
 Me dady was so joly
 I love to tell the history about how both died in the holly
 I yap about the gassing with every chance i get
 Dont know why you r laughing i anit even started yet
 Ho high tigh tid-dly dee ho no me gosh me goly
 Yes high figh fid-dl-y fee me mom died in the holly
 And now i guess its funny to an awful lot of folk
 To hear me mums a lampshade and me dad a bar of soap
 Well some say im a fool but it dont change how i feel
 I dont care about the pool or riding the feris wheel
 Now me only ever wish is that they didnt go to camp
 Cuz dads cleaning dishes and me mum sits on a lamp
 Ho high tigh tid-dly dee ho no me gosh me goly
 Yes high figh fid-dl-y fee me mom died in the holly
 And now i guess its funny to an awful lot of folk

To hear me mums a lampshade and me dad a bar of soap
 Ho high tigh tid-dly dee ho no me gosh me goly
 Yes high figh fid-dl-y fee me mom died in the holly
 And now i guess its funny to an awful lot of folk
 To hear me mums a lampshade and me dad a bar of soap
 Sometimes when i fell glum and sad it rally makes me think
 I wish i had me mom and dad so we can have a drink
 Oh if only i where able id take them to the pub
 But me mom stays on the table and me dad still on the tub
 Ho high tigh tid-dly dee ho no me gosh me goly
 Yes high figh fid-dl-y fee me mom died in the holly
 And now i guess its funny to an awful lot of folk
 To hear me mums a lampshade and me dad a bar of soap
 Ho high tigh tid-dly dee ho no me gosh me goly
 Yes high figh fid-dl-y fee me mom died in the holly
 And now i guess its funny to an awful lot of folk
 To hear me mums a lampshade and me dad a bar of soap
