

# Four Year Strong - Tonight We Feel Alive (On A Saturday)

Tom: C  
Intro: Am C Fm G C G Fm G Am

Am  
The face of another day  
Searching of the voice of a better way  
They say that it's a bad time of year to be up in arms  
So we're pushing on cause we know in our hearts  
It's the only way to stay afloat with the sharks at bay  
Avoid being a casualty of the circumstances  
And second chances are shredded day by day

Fm  
Will your legs fail you  
C When you stand too straight and tall  
Fm Cause the world's gone mad  
C The taller you are, the harder you fall
