Your life

Intro: G Am C

You walk the road, it feels so long

The nights are quiet, but you stay strong

Dreams once bright now feel so far

But in your soul, there's still a spark

[Refrão]

Keep moving on, don't lose your way

The sun will shine on you someday

The road is tough, but you belong

You're writing your life's greatest song

(Solo) G... Em C G C D G

The world feels still, like time won't change

But in your heart, it rearranged

The fire burns, though winds may blow

Your strength will rise, and you will grow

[Refrão]

Keep moving on, don't lose your way

The sun will shine on you someday

The road is tough, but you belong

You're writing your life's greatest song

(Solo) Em C G C D G 2X
