

Foxes - Clarity

```
Intro: (A7sus Eb7sus Em7 Bm C G) (2x)
             G
 High dive into frozen waves
Em7 Bm C
where the past comes back to life
A7sus4
             G
Fight fear for the selfish pain
     Em7 Bm C
And it's worth it every time
A7sus4
        G
Hold still right before we crash
 Em7 Bm C
Cause we both know how this ends
A7sus4 G
A clock ticks till it breaks your glass
    Em7 Bm C
And I drown in you again
 Cause you are the piece of me
Em7 Bm C G
 I wish I didn't need
A7sus4 G
Chasing relentlessly
Em7 Bm C G
 Still fight and I don't know why
A7sus4 G Em7
If our love is tragedy why are you my remedy A7sus4 G Em7 Bm C G
 If our love is insanity why are you my clarity
( A7sus G Em7 Bm C G ) (2x)
                      C G
A7sus4 G Em7
                Bm
 If our love is tragedy why are you my remedy
A7sus4 G Em7 Bm C G
 If our love is insanity why are you my clarity
```

Acordes

```
walk on through a red parade
   Fm7 Bm C
And refuse to make amends
            G
It cuts deep through our ground
      Em7 Bm C
And makes us forget all common sense
  Don't speak as I try to leave
   Em7 Bm C
Cause we both know what we'll choose
A7sus
                      G
  If you pull, then I'll push too deep

Em7 Bm C
And I'll fall right back to you
 Cause you are the piece of me
Em7 Bm C G
  I wish I didn't need
A7sus4 G
 Chasing relentlessly
Em7 Bm C G
 Still fight and I don't know why
A7sus4 G Em7
                  Bm
                        С
 If our love is tragedy why are you my remedy
A7sus4 G Em7 Bm C G
 If our love is insanity why are you my clarity
Am7sus G Fm7
             Bm
                   CG
              ...Why are you my clarity
Am7sus G Em7
             Bm C G
             ...Why are you my remedy (2x)
A7sus4 G Em7
                    Bm
If our love is tragedy why are you my remedy A7sus4 \frac{G}{G} \frac{Em7}{Bm} \frac{G}{G}
 If our love is insanity why are you my clarity
```
