

# Foxy Shazam - Science Of Love

Tom: G  
Intro: G D G D G D  
G D G D G D

G F Gb G  
I feel the pressure and it's building up  
G F Gb G  
Closing top and to the boiling point  
G F Gb G  
You're the one, you'll be the one in due time  
G  
Gotta make my money, see  
G  
Gotta make my money money

D  
You got your eyes on the red hot woman tonight  
You gotta let it go, you gotta lend me some love

G  
You break it off, babe  
D  
I'll let you know  
G D  
You cast it out and then you reel it in  
G D

You hear me knocking, babe let me on into your heart  
( F Gb G )

G F Gb G  
My mom is white and my dad is black  
G F Gb G  
My rusty heart is set to attack on you  
G F Gb G  
You're the one, you're the one in due time  
G D  
You really got me, you really do  
G D G D  
You really, need me, like I need you  
G D  
You really move me, you move me move me  
G  
You move me move me move me move me move me yea  
G D  
You ever love so much your body it aches?  
G D  
You ever call just to hear me and then just hang up?  
D  
You ever catch a glimpse from time to time?  
G  
You gotta understand the science of L O V E
