

# Foy Vance - Thank You For Asking

tom:

[Primeira Parte]

**A** **Bm**  
You bit into watermelon  
**E7**  
Juices dripped down off your chin to your delight  
**Bb** **Bm**  
Never dreamed that it could be so ripe  
**E7** **Dbm** **Gb7**  
And taste just like a little slice of heaven

[Segunda Parte]

**Bm**  
Then you picked up your napkin  
**E7** **A**  
And you tapped it on your mouth from side to side  
**Bb** **Bm** **E7**  
Never dreamed that such an act could drive my senses wild  
**Dbm** **Gb7**  
I wished I was watermelon

[Refrão]

**Bm**  
Or any other kind of fruit  
**E7**  
You'd consume  
**Dbm** **Gb7**  
Dragon, grape or passion  
**Bm**  
Oh yes, I'm feeling fine my dear  
**E7** **A** **Bb**  
But thank you for asking

[Terceira Parte]

**Bm**  
We talked all through the morning  
**E7** **A**  
And we kissed right from the early afternoon  
**Bb** **Bm** **E7**  
Till the sun set on a sea so blue, replaced by the moon  
**Dbm** **Gb7**  
And music for dancing

[Refrão 2]

And in the wee small hours  
**Bm** **E7**  
Me and you, stuck like glue  
**Dbm** **Gb7**  
Lost in our romancing  
**Bm**  
Oh yes, I'm feeling fine my dear  
**E7** **A**  
But thank you for asking

[Refrão 3]

**Bm**  
Come the morning and we'll begin again  
**E7**  
I'll kiss your skin  
**Dbm** **Gb7**  
With an educated fashion  
**Bm**  
Oh yes, I'm feeling fine my dear  
**E7** **A**  
But thank you for asking
