

# Francesca Battistelli - Time In Between

Tom: D  
Intro: 2x: D G A

Bm G  
You were there when your Father said  
D A A  
Let there be light  
Bm G  
You obeyed when He whispered  
D A  
Son, You have to leave tonight  
Bm G  
To spend nine months in a mother's womb  
D G  
Three days in a borrowed tomb

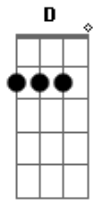

D G A  
But it's the time in between  
D  
That brings me to my knees  
G A  
Knowing you came for me  
Bm  
And all that I can't be  
G D A  
I'm amazed, so amazed  
G A D

And I thank You for the time in between

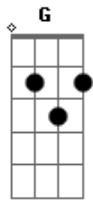

Bm G  
Don't take much for this crazy world  
D A A  
To rob me of my peace  
Bm G  
And the enemy of my soul  
D A  
Says You're holding out on me  
Bm G  
So I stand here lifting empty hands  
D G  
For you to fill me up again

D G A  
But it's the time in between  
D  
That I fall down to my knees  
G A  
Waiting on what You'll bring  
Bm  
And the things that I can't see  
G D A  
I know my song's incomplete  
G A D  
Still I'll sing in the time in between
