# Frank Sinatra - Autumn Leaves
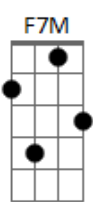

```
                    tom:
                     Dm
                              Gm7    C7
The falling leaves
              F7M    Bb7M
Drift by the window
             Em7   A7
The autumn leaves
             Dm7   Dm
Of red and gold

[Segunda Parte]

              Gm7   C7
I see your lips
              F7M   Bb7M
The summer kisses
              Em7   A7
The sunburned hands
```
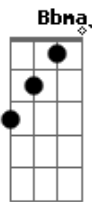

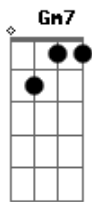

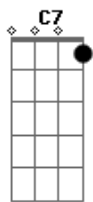

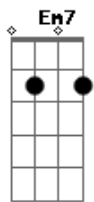

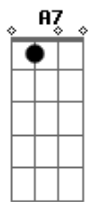

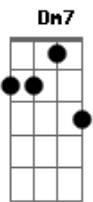

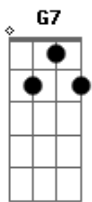

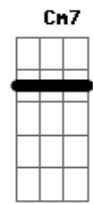

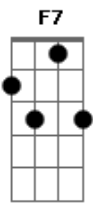

```
                      Dm7   Dm
I used to hold

[Ponte]

               Em7    A7
Since you went away
                Dm7   Dm
The days grow long
                Gm7   C7
And soon I'll hear
                 F7M   Bb7M
Old winter's song
            Em7          A7        Dm7 ( Dm7  G7  Cm7  F7 )
But I miss you most of all my darling
             Em7         A7
When autumn leaves
                    Dm7
Start to fall
