

## Frank Sinatra - Fly Me To The Moon

```
tom:
                              Am
                                         Dm
Fly me to the Moon
   G7
Let me play among the stars
             Bm
Let me see what spring is like
 E7
              Am A7
On Jupiter and Mars
Dm G7
In other words
 C F Em A7
Hold my hand
Dm
In other words
G C Bm E7
Baby, kiss me
Fill my heart with song
G7 C
Let me sing for ever more
         Bm
You are all I long for all I
E7
    Am A7
Worship and adore
          G7
 Dm
In other words
        C Bb Em A7
```

```
Please, be true
                          Dm G
    In other words
                                                     C Bm E7
  I love you
( Am Dm G7 C )
( F Bm E7 )
( Am A7 Dm G7 )
  ( C F Em A7 )
( Dm G )
    ( C Bm E7 )
           Am
    Fill my heart with song
                                                     G7
  Let me sing for ever more % \left( 1\right) =\left( 1\right) \left( 1\right)
    F Bm
  You are all I long for all I
        E7
                                                                                                                                                                  Am A7
  Worship and adore
                   Dm
  In other words
                                                                                                                                                             Em A7
  Please, be true
                          Dm Fm
In other words
Gm G7 C C
                                                                                                                                                                                                                                         in other wooooords
                                   love
                                                                                                                                                                                                   you
