

## Frank Sinatra - I Fall In Love Too Easily

```
Tom: D
                                                                    I fall in love too ter-ri-bly hard
                                                                   Db7 C#m- Gb7
For love to ev - er last.
Bm Bm G G
   A7 A7sus4 Em
There are those who can leave love or take it,

Em A7 Gdim D

Love to them is just what they make it.
                                                                    My heart should be well-schooled,
                                                                        B7 Bm- B7 Em
                                                                    'Cause I've been fooled in the past;
A Bm- E7 A Ab7 A Gb7
I wish that I were the same;
Bm Bm- E7 A7
                                                                      D Em B7
                                                                                                    D
                                                                    And still I fall
                                                                                         in love too easily,
But love is my fav'rite game.
                                                                                        D
          Α7
                  D
                                                                    I fall in love too fast
I fall in love too easily,
Em A7 Bm Bm
                                                                                 D
                                                                    I fall in love too fast.
I fall in love too fast,
         Gb7
```
