

Frank Sinatra - I Love You

Tom: **G**
Intro: **C Em**

You're just too **C** good to be true
Can't **C** take my eyes off you
You'd **C7** be like heaven to touch
I **F** wanna hold you so much
At long last **Fm** love has arrived
And I **C** thank God I'm alive
You're just too **D Dm** good to be true
Can't **C** take my eyes off you
Pardon the way that I stare
There's **C** nothing else to compare
The sight of you **C7** leaves me weak
There **F** are no words left to speak
But if **Fm** you feel like I feel
Please **C** let me know that is real
You're just too **D Dm** good to be true
I **C** can't take my eyes off you
(**Dm C Dm C A**)

I **Dm** love you baby
And if **G** it's quite all right
I **C** need you baby
To **A** warm the lonely nights
I **Dm** love you baby
G Trust in me when I say **C A**

Oh **Dm** pretty baby
Don't **G** bring me down I pray
Oh **C** pretty baby
Now that **Am** I've found you stay
And **Dm** let me love you, baby
G Let me love you
