

Frank Sinatra - It Happened In Monterey

tom:

G

G
It happened in Monterey
Am7 D7
A long time ago
Am7 D7
I met her in Monterey
G
In old Mexico
Stars and steel guitars
And luscious lips as red as wine
Am7 D7
Broke somebody's heart
G
And I'm afraid that it was mine
It happened in Monterey
Am7 D7
Without thinking twice
Am7 D7
I left her and threw away
B7 E7
The key to paradise
Am7 D7
My indiscreet heart
Am7 D7
Longs for the sweetheart
G

That I left in old Monterey
