Intro: Gbm7 B7 Gbm7 B7 E
[Primeira Parte]
                               F7M
I know I stand in line, until you think you have the time
                      B7 Gbm7 B7
          Gbm7
To spend an evening with me
   Gbm7
              B7
                                  Gbm7
And if we go someplace to dance, I know that there's a chance
You won't be leaving with me
And afterwards we drop into a quiet little place
And have a drink or two
And then I'll go and spoil it all, by saying something stupid
       E E E E
Like: "I love you"
     E7
I can see it in your eyes, that you despise the same old lies
You heard the night before
   Gb7
And though it's just a line to you, for me it's true
                 В7
It never seemed so right before
[Segunda Parte]
I practice every day to find some clever lines to say
          Gbm7
                    B7 Gbm7 B7
To make the meaning come true
                   B7
   Gbm7
```

```
But then I think I'll wait until the evening gets late
And I'm alone with you
   F7
The time is right, your perfume fills my head, the stars get
And, oh, the night's so blue
                                    Gbm7
                                                      R7
           B7
And then I'll go and spoil it all, by saying something stupid
        E E E E
Like: "I love you"
