

Frank Sinatra - Something Stupid

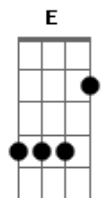

tom:
Intro: Gbm B7 Gbm B7 E
[Primeira Parte]
I know I stand in line, until you think you have the time
To spend an evening with me
And if we go someplace to dance, I know that there's a chance
You won't be leaving with me
And afterwards we drop into a quiet little place
And have a drink or two

And then I'll go and spoil it all, by saying something stupid
Like: "I love you"
I can see it in your eyes, that you despise the same old lies
You heard the night before
And though it's just a line to you, for me it's true
It never seemed so right before

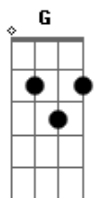

[Segunda Parte]

I practice every day to find some clever lines to say
To make the meaning come true

But then I think I'll wait until the evening gets late

And I'm alone with you

The time is right, your perfume fills my head, the stars get red

And, oh, the night's so blue

And then I'll go and spoil it all, by saying something stupid

Like: "I love you"

[Solo] The time is right, your perfume fills my head, the stars get red

[Terceira Parte]

The time is right, your perfume fills my head, the stars get red

And, oh, the night's so blue

And then I'll go and spoil it all, by saying something stupid

Like: "I love you"

[Final]

I love you

I love you

I love you

I love you
