

Frank Sinatra - Strangers In The Night

tom:
 Strangers in the night, Exchanging glances
 Wondering in the night, What were the chances
 We'd be sharing love, Before the night was through
 Something in your eyes, Was so inviting
 Something in your smile, Was so exciting
 Something in my heart, Told me I must have you
 Strangers in the night, Two lonely people
 We were strangers in the night
 Up to the moment, When we said our first hello
 Little did we know
 Love was just a glance away, A warm embracing dance away
 And ever since that night, We've been together
 Lovers at first sight, In love forever
