

# Frank Sinatra - Strangers In The Night

tom:

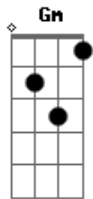

Strangers in the night, Exchanging glances  
 Wondering in the night, What were the chances  
 We'd be sharing love, Before the night was through  
 Something in your eyes, Was so inviting  
 Something in your smile, Was so exciting  
 Something in my heart, Told me I must have you  
 Strangers in the night, Two lonely people  
 We were strangers in the night  
 Up to the moment, When we said our first hello  
 Little did we know  
 Love was just a glance away, A warm embracing dance away  
 And ever since that night, We've been together  
 Lovers at first sight, In love forever
