

Frank Sinatra - Wave

Tom: G

(intro 4x) Dm G Dm G

So close your eyes,
for thats a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
whenever two can dream a dream together

You can't deny,
don't try to fight the rising sea
Don't fight the moon, the stars above and don't fight me
The fundamental loneliness goes
whenever two can dream a dream together

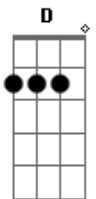

When I saw you first the time was half past three
Together...

When your eyes met mine it was eternity

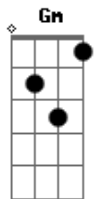

By now we know
the wave is on its way to be
Just catch that wave don't be afraid of loving me
The fundamental loneliness goes
whenever two can dream a dream together

When I saw you first the time was half past three
When your eyes met mine it was eternity
By now we know
the wave is on its way to be
Just catch that wave don't be afraid of loving me
The fundamental loneliness goes
whenever two can dream a dream together
Together...
