

Frank Turner - Be More Kind

tom:

[Primeira Parte]

G

C **Em** **Am** **Am7**
History's been leaning on me lately
F7M **G**
I can feel the future breathing down my neck
C **Em**
And all the things I thought were true
Am **Am7**
When I was young, and you were too
Dadd9
Turned out to be broken
G
And I don't know what comes next

[Refrão]

Am **F**
In a world that has decided
C **G**
That it's going to lose its mind
Am **F** **C**
Be more kind, my friends, try to be more kind

(**C** **Em** **Am**)
(**Am7** **F7M** **G**)

[Segunda Parte]

C **Em** **Am** **Am7**
They've started raising walls around the world now
F7M **G**
Like hackles raised upon a cornered cat
C **Em**
On the borders, in our heads
Am **Am7**
Between things that can and can't be said
Dadd9
We've stopped talking to each other
G
And there's something wrong with that

[Refrão]

Am **F**
So before you go out searching
C **G**
Don't decide what you will find
Am **F** **C**
Be more kind, my friends, try to be more kind

[Ponte]

C **Em**
You should know
Am **Gb**
you're not alone
C **Em**
And that trouble comes
Am **Gb**
and trouble goes
C **Em**
How this ends
Am **Gb**
no one knows
C **Em**
So hold on tight
Am
when the wind blows

(**F7M** **G** **C**)
(**Am** **F7M** **C**)

[Terceira Parte]

C **Em** **Am** **Am7**
The wind blew both of us to sand and sea
Dadd9 **G**
And where the dry land stands is hard to say
C **Em**
As the current drags us by the shore
Am **Am7**
We can no longer say for sure
Dadd9 **G**
Who's drowning, or if they can be saved

[Refrão]

Am **F**
But when you're out there floundering
C **G**
Like a lighthouse I will shine
Am **F** **C**
Be more kind, my friends, try to be more kind

Am **F**
Like a beacon reaching out
C **G**
To you and yours from me and mine
Am **F** **C**
Be more kind, my friends, try to be more kind

Am **F**
In a world that has decided
C **G**
That it's going to lose its mind
Am **F** **C**
Be more kind, my friends, try to be more kind
