

Franz Ferdinand - Bite Hard

Tom: C

(intro)

C Em C Em C Em Dm
 You dont know i sing these songs about you
 Em Gbm Bm Em
 Gbm A
 you dont know the Pseudonyms i assume you dont know the
 Pseudonyms i assume
 Dm
 For you

(verso)

Dm F G F
 Are you happier now that the gods are dying?
 Dm C F G
 Or do you dream of heston with omnicient beard
 Dm F G F
 You should be happier now, with noone to pray to
 Dm C F G
 Or would you love to break your knees from beggin and prayin

(refrão)

Dm F G

Bite Hard well its a broken smile, breaking their hearts and
 breaking their minds

Dm C F G
 Bite Hard, its 5.05 your engines alive and we ride together,
 Bite Hard

(synth solo - over the same chords as the verse and chorus)

(verso)

I may be lonelier now but im happy oh no honest. aint only
 alone but
 what would we talk about anyway
 I'd never resort to kissing your photo, honest. i just had to
 see
 how the chemicals taste their honey

(refrão)

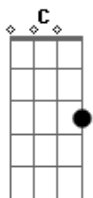

F G F G F G Dm
 We ride together we ride together we die together

(solo)

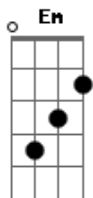

(refrão 3x)

F
