

Franz Ferdinand - Bullet

Tom: **C**

(Depois pula para isso)

[Verse]

If I was there, but you'd better explain
That I have vendetta in my narrow bones
And a vindictive eye
Of my jealousy I have no control, no control

[Chorus]

I'll never get your bullet out of my head now, baby
I'll never get your bullet out of my mind
I'll never get your bullet out of my head now, baby
I'll never get your bullet out of my mind
How can I get your bullet out of my head now
I have no control, but I try, yeah I try

(Então você volta a tocar o riff inicial duas vezes, e depois toca os mesmos acordes do verso)

[Verse]

So I'd better explain that I have a
Red vendetta in my narrow bones
A wicked indicative eye
Of my yellow jealousy I have no control, no control

[Chorus]

I'll never get your bullet out of my head now, baby
I'll never get your bullet out of my mind
I'll never get your bullet out of my head now, baby
I'll never get your bullet out of my mind
How can I get your bullet out of my head now
I have no control, but I try, yeah I try

[Bridge] (3x)

Get out of my head, get out of my head now

[Outro]

Get out of my mind.
