

Franz Ferdinand - Come on home

Tom: C

Am F C E

Although my lover lives in a place where I can't live I kind of find I like a life this lonely

It rips and pierces me in places I can't see, I love the rip of nerves the rip that wakes me

of nerves the rip that wakes me So I'm dissatisfied, I love to satisfy, I love to feel as though there's more that I need

You're where you want to be, I'm where I want to be, come on we're chasing everything we've wanted

Replace you easily, replace pathetically, I flirt with every

flighty thing that falls my way But how I needed you when I needed you, let's not forget we are so strong so bloody strong F C $$\mathsf{Am}$$ F $\mathsf{G}$$

F C So come on home, home

Blue light falls upon your perfect skin, falls and you draw back again $% \left(1\right) =\left(1\right) +\left(1\right) +\left($
