E7(9#) **A7** **Dm**
If It means you agree, come on and lift up your hands

Refrão:

Acordes

Everybody lift your hands if you know that Jesus is worthy
Open up and give Him praise, let's do it in a hurry
If you love Him, let's glorify in the song and in the dance
You know the Savior lives come on and lift up your hands

To understand just why we praise let me tell you how it all
went down
The news spread so very fast, people came from miles around
This would be the day Christ would be crucified
He took His last breath, He hung His head and He died
They took my Savior down from off that rugged cross
They laid Him in a tomb, it seemed all hope was truly lost
But the third day came along and brought the rhythm of life
The stone was rolled away, an angel proudly proclaimed

Ponte:

Dm **Db**
He lives (He lives) He lives
Dm **Db**
(Christ is risen) Christ is risen just like He said
C **Bb**
(Our Lord and Savior) The Lord and Savior's no longer dead
A7
Rejoice and celebrate, He lives, He lives, Jesus, He's alive
