

Frejat - Antes de Acordar

Tom: C

{Intro:} G Am

Am Am D
 Antes de abrir os olhos, devagar
 Am Am D
 Antes do meu corpo espreguiçar
 Dm A7 Dm
 Antes de pular da cama e escovar os dentes
 F E Am E G
 Antes do primeiro pensamento decente

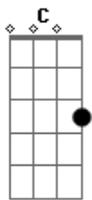

Que palavras eu direi quando minha boca se abrir
 Que sentimentos no meu coração passarão a existir
 Com quem eu sonhava, profundamente, antes de acordar

Quando as idéias começaram a embaralhar

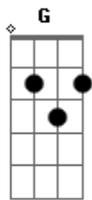

Em Am B7
 E se eu escolher que na fogueira queimarei
 Em B7 D
 Se eu voltar pra cama e me enrolar nos lençóis
 Am B7 Em Em
 Se eu encontrar o gesto certo e me mover
 Am B7 Em
 Se eu me jogar pela janela e não morrer

Antes do leite com café eu derramar
 Antes de me demorar nos jornais
 Antes de sentir o mundo preso na garganta
 Antes de saber que não adianta
