Intro: Em C G G

When the fever's gone Em  
And the rose to dust C  
I touchdown Sunday G  
To tie the loose ends up G  
With a pocket full of Em  
That gypsy stuff C  
I heard you calling me, calling me, calling me G  
Through the dissonance G  
I've been known to run Em  
Just to feel the rush C  
But the dying sun G  
Illuminates so much G

It's hard to see beyond what's in sight Em C  
But when you tilt the light I realize G

For 1000 nights Em  
I've been a restless soul C  
Just wasting time G  
Digging up fool's gold G  
It took a 1000 nights Em  
Being on my own C  
For me to find G  
It was all fool's gold C  
( G )

Ooh ooh ooh ooh ooh ooh ooh ooh ooh Em C  
Ooh ooh ooh ooh ooh ooh ooh ooh ooh G  
Ooh ooh ooh ooh ooh ooh ooh ooh ooh

I felt the fever on Em  
But couldn't taste the fruit C  
There's a bulletproof bond G  
Between meaning and you G

It's hard to see beyond what's in sight Em C  
But when you tilt the light I realize G
