C
 [intro]

F **G**
 Every time I think of you
Em **F**
 I get a shot right through into a bolt of blue
F **G**
 It's no problem of mine but it's a problem I find
Em **F** - **F(#4)**
 Living a life that I can't leave behind
F **G**
 There's no sense in telling me
Em **F**
 The wisdom of a fool won't set you free
F **G**
 But that's the way that it goes and it's what nobody knows
Em **F**
 And every day my confusion grows

F **G**
 Every time I see you falling
Em **F** - **F(#4)**
 I get down on my knees and pray
F - **F(#4)** **G**
 I'm waiting for that final moment
Em **F**
 You say the words that I can't say

C
 [instr.]

I feel fine and I feel good
 I feel like I never should
 Whenever I get this way I just don't know what to say
 Why can't we be ourselves like we were yesterday

I'm not sure what this could mean
 I don't think you're what you seem
 I do admit to myself that if I hurt someone else
 Then I'd never see just what we're meant to be

Every time I see you falling
 I get down on my knees and pray
 I'm waiting for that final moment

You say the words that I can't say

Every time I see you falling
 I'll get down on my knees and pray
 I'm waiting for that final moment
 You say the words that I can't say [end on C]

TAB:
