

Freya Ridings - Elephant

tom:
Capostrate na 1ª casa (forma dos acordes no tom de G)

[Primeira Parte]

Old love, you're breaking me up
Burn, burning like sun
I don't forget, like an elephant
You're imprinted on my heart
I don't forget, this sun don't set
For me

[Refrão]

Don't leave me here, don't leave me here
Don't leave me here, don't leave me here
'Cause I can't forget, I can't forget
It's burning, still burning

[Segunda Parte]

Oh I should have known, I blister alone
While you find your own shade
I don't forget, this sun don't set
For me

[Refrão]

Don't leave me here, don't leave me here
Don't leave me here, don't leave me here
'Cause I can't forget, I can't forget
It's burning, still burning
Everywhere I turn, every scar that burns
God, I know that love
I can't forget, I can't forget
It's burning, still burning
'Cause I can't forget, I can't forget
This burning, still burning
