

Freya Skye - Golden Boy

tom:
 A A A7
 There was a trail of destruction that led straight to you
 D
 Ignored all the signs that I wish weren't true
 A7 Em G
 You're such a good actor, I guess you had me fooled
 A A7
 Guess I was convenient when I was around
 D A
 'Cause you love attention, the talk of the town
 A7 Em G
 And I build you up while you just tear me down
 D
 What's done is done
 A A7
 I'm on the other side now
 A A7
 So, you can play the golden boy
 D A
 And lose yourself in all the noise of
 Em
 You're kind and you're so perfect
 G
 I'd love to be your girlfriend
 C
 You were lucky once
 D A
 Have fun livin' on the surface
 A A7
 Used to talk all the time, now we don't even speak
 D A
 Lived in your house, now I'm out on the street
 A7 Em G
 Try to make sense of it, you're a mystery
 A
 Where did I go wrong?
 A7
 What was it about?
 D A
 How'd I become someone you live without?
 D
 What's done is done
 A A7
 I'm on the other side now
 A A7
