You played it cool, and I played it dumb

C G
And I can't ignore, I can't ignore, I can't ignore
D
The way I hate you for leaving
Em D
Too much free time staring up at the ceiling

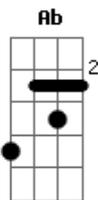

[Segunda Parte]

C Em
It's been a month since you went and checked in
D
I wanna ask: Where the hell have you been?
Em
'Cause I've been right where you left me
D
(Right where you left me)
C Em
Poured my self-control down the sink
D
Almost die every time the phone rings
Em D
Why won't somebody help me?
