

Frigga B - Oh My God

tom:

Intro: C E Am G)

C Em
I've been running from myself so long

Am G
I've been running from my heart

C Em
Things have never been the same since you

Am G
Packed your bags and played your cards

C
Summer felt like autumn

Em
With the sun so bright and cold but

Am G
Snow began to fall and there's a light

C Em
Searching courage to get up again

Am G
In an armful of a friend

C E
Between walls we both know oh so well

Am G
Now the time he stops pretend

C Em
La lala lala lala, I'm smiling what is happening

Am G
La lala lala lala, oh my god

C Em
There's my light

Am
Dressed everyday

G
His well known eyes

C
Makes me, oh my god!

C Em
How come I've

Am
Never felt like this

G
Until his kiss

C
Singin': oh my god!

Oh my god

(Em Am G)

C Em
I've been watching you for years, he said

Am G
But I've never realized

C Em
That you and I would end up here someday

Am G
You're the one that's on my mind

C Em
La lala lala lala, I'm smiling what is happening

Am G
La lala lala lala, oh my god

C Em
There's my light

Am
Dressed everyday

G
His well known eyes

C
Makes me, oh my god!

C Em
How come I've

Am
