Frigga B - Oh My God

tom: G Intro: C E Am G) I've been running from myself so long I've been running from my heart Em Things have never been the same since you Am Packed your bags and played your cards Summer felt like autumn Fm With the sun so bright and cold but Am Snow began to fall and there's a light Em Searching courage to get up again Am In an armful of a friend F Between walls we both know oh so well Am G Nows the time he stops pretend C Em La lala lala lala, I'm smiling what is happening Am G La lala lala lala lala, oh my god Em There's my light Dressed everyday His well known eyes Makes me, oh my god! Fm How come I've Am Never felt like this G Until his kiss Singin': oh my god! Oh my god

(Em Am G) C Fm I've been watching you for years, he said Am G But I've never realized Fm That you and I would end up here someday You're the one that's on my mind C Em La lala lala, I'm smiling what is happening G La lala lala lala lala, oh my god С Em There's my light Dressed everyday His well known eyes Makes me, oh my god! Fm How come I've Am Never felt like this G Until his kiss C Singin': Oh my god! Oh my god Em There's my light Δm Dressed everyday His well known eyes Makes me, oh my god! Em How come I've Am Never felt like this Until his kiss C Singin': oh my god! Oh my god Oh my god
