And I won't say that I'm okay,

'Cause you taught me not to lie,
G A
So know that I'll miss you everyday.

[Pré-Refrão]

D
You always taught me to be good,
And always do my best to be selfless
G
But I know that God is holding you
And I am so damn jealous,
Em
'Cause I miss your arms around me
And the way you make me laugh.
A
Now I'm stuck inside this prison that says
You're never coming back.

[Refrão]

D
So I'm sitting in my room
As I try to write this song.
G
I'm so sorry that it's not good enough.
It's just that everything seems wrong,

And I keep bursting into tears
Because the pain won't go away,
A
Because the father took my best friend
And said she cannot come out to play
D G D G

[Outro]

(Tocar **D G** repetidamente até o final)

D
Grandma, Uh, I love God with all my heart
G
And uh, The only reason that isn't
D
Stated in my life is because of you
And I really don't understand it God
That you introduced me to
What would take you away so fast
G
When you were the only person
That ever understood a thing I ever said
And I really don't understand
D
How to deal with this anymore
And, I'm just really not okay with this
G

And I miss you and I understand you're in heaven
But I don't want to be selfish
I don't want you to be in heaven
I want you to be back down here

I don't want you to be there
I want you to be here
What am I supposed to do now
That's all I'm asking
