tom: G

G B Em C G
Out here i can barely see my breath
B Em C G
Surrounded by jealousy and death
B Em C G
I can't be reached, only had one call
B Em C G
Dragged underneath, separate from you all
(G D)

G B Em C
This time i've lost my own return
G B Em C

In spite of everything i've learned
G B Em C
I hid my tracks, spit out all my air
G B Em C
Slipped into cracks, stripped of all my cares
(G D)

G B Em C
I'm so tired sheep are counting me
G B Em C
No more struggle, no more energy
G B Em C
No more patient and you can write that down
G B Em C
It's all too crazy and i'm not sticking round
