E Abm Dbm Abm
Light a roman candle with me
E Abm Dbm Abm
Just a roman candle, you can wear your sandals
A Abm Gbm Abm
and I'll pour you just one cup of tea.
A Abm
Then you can go and rest
Gbm Abm
you haven't seen my best, so...

E Abm Dbm Abm
Just spend an evening with me
E Abm Dbm Abm
Just a lazy evening, then you could be leaving
A Abm Gbm Abm
or we could stay and talk until three.
A Abm Gbm Abm
I will think it's magic and I'll hope you'll agree, so...

E Abm Dbm Abm
Light a roman candle with me
E Abm
Just a roman candle
Dbm Abm E
Just a perfect apple

Gb A Abm E

E Abm Dbm Abm
Light a roman candle with me
E Abm
Just a roman candle
Dbm Abm E Gbm Abm
Just a perfect apple
A Abm Gbm Abm A
If we were honest and both wrote a sonnet together
A Abm Gbm Abm
a sandwich with everything on it,
E Abm Dbm Abm

at least we would know that the sparks didn't glow
E Abm Dbm
but we owe it to ourselves to try,
Abm A
so we aim and ignite!
Abm Gbm Abm
So often I call and I plead with you:
A Abm
"Give me a chance!"
Gbm Abm E
It's not often that I understand
Abm Dbm Abm E
the ins and the outs of what's wrong and what's right
Abm Dbm Abm E Gbm Abm
So don't think of tomorrow tonight.
A Abm Gbm Abm
Oh, I know, it goes on, it gets old
A Abm Gbm Abm
But for now we're young, we smell good, we're alone, so alive

E Abm Dbm Abm
E Abm Dbm Abm

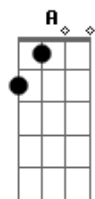

A Abm
You look for a legend,
Gbm Abm
I'm looking for common ground.
A Abm
Your heart isn't breaking,
Gbm Abm
and mine isn't making a sound.

E Abm Dbm Abm
E Abm Dbm Abm
E Gbm Abm

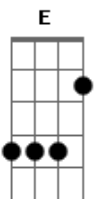

A Abm Gbm Abm
Oh I know, it goes on, it gets old
A Abm Gbm Abm
Oh I know, it goes on, it gets old

E Abm Dbm Abm
Light a roman candle with me
E Abm
Just a roman candle
Dbm Abm E
Just a perfect apple
