tom:

Intro: C F7 Bm7 E7 A7 D7 G D7

G Bb G Bm7 E7 A7
Só quem provou o gosto amargo de uma ingratidão

Só quem bebeu fel da solidão

É que pode saber o que hoje eu sei

Só quem ouviu a voz do meu plangente violão

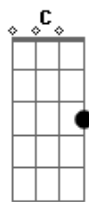

Solando a valsa da desilusão

É que pode entender o que eu passei

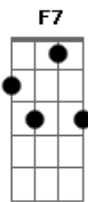

G Bm E7
Num abismo de rosas me precipitei, pensei
