E digue digue di deo oba

E digue digue di deo oba

E digue digue di deo oba

Lê, Lê, Lê, Lê, Lê, Lê, Lê, Lê, oba

Quem ama, lá, laia

Enobrece e alastra a verdadeira chama lá laia

Nunca quebra a corrente somente encanta

Cantando poesia em preces de amor ô ô

Quem chora la, la ia

Por seu amor perdido

E digue digue di deo oba...

Não sabe a hora la, laia

Que terá o sorriso de volta e implora

De joelho o perdão e se rende de pra dor

Meu samba

Tem quem ama, quem chora

E um nobre enredo

Transmito pra massa e pro mundo inteiro

Faz pulsar a raiz em nosso coração

O samba

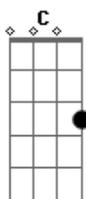

Que escreve a tristeza com muita alegria

No seu mais lindo verso que no dia a dia

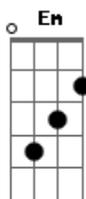

Faz o povo sorrir e cantar o refrão

E digue digue di deo oba...
