Take you out of my mind if it's for a day
Dm **F**
Yeah, kept love at bay
Bb **A**
Now it hurts me so badly I want to say

F **A** **Dm** **Bb** **F**
Oh, for you, I'll be waiting, on the bathroom floor, you know
A **Dm** **Bb** **F**
I ask, emancipate me, from your heart-tooth grasp and I say
A **Dm** **Bb**
Would you want it any other way
F **A** **Dm** **Bb**
Guess I'll stay, would I want it any other way

Bb **A**
An in-authentic spiel but it's so for real

Dm **Am** **F**
Yeah, and I'll drink till I'm fine
Bb **A** **C**
Broke her heart the other day it turns out it was mine

Cracked ribs and a fault in my side
