tom:  
Capo: 6ª casa (forma dos acordes no tom de C)  
Intro: Am G C G F

[Primeira Parte]

Am G C  
I I hope she makes you smile

The way it made me smile on the other end of a phone  
In the middle of the highway driving alone  
Oh baby i-- I hope you hear a song  
That makes you sing along and gets you thinking about her  
Then the last 7 miles turns into a blur, yeah

[Refrão]

Am  
I hope you both feel the sparks  
By the end of the drive  
I hope you know she's the one  
By the end of the night  
I hope you never ever felt more free  
Tell your friends that your so happy

Am  
I hope she comes along and wrecks  
Every one of your plans  
I hope you spend your last dime  
To put a rock on her hand  
I hope she's wilder than your wildest dreams  
She's everything you're ever gonna need

Am  
And then I hope she cheats  
Like you did on me  
And then I hope she cheats  
Like you did on me

[Segunda Parte]

Am  
Yeah babe I hope she  
Shows up in a 2 am pic from her friend  
Hanging on to a guy  
And you just ain't him  
I hope you stay up all night  
All alone waiting by the phone  
And then she calls  
Am G C  
And baby I I hope you work it out  
Forgive and just about forget and take

Her on a first date again  
And when you lean in for a kiss  
[Refrão]
