

Gabe Bondoc - Love Alert

Tom: C

Intro: C C7 F Em Dm F

(C C7 F Em Dm F)

Didn't take much more than your name

Didn't take much to light this flame

And now, i'm not sure how, i'll ever be the same

The way that you smiled the night we met

Dyin? to feel that feelin once again

And i know, i'm in trouble over you

I think i need help? i?m falling

(C Em Am7 Dm F)

Help, i?ve fallen and i can?t get up

Well.. i can?t get up or over you.. over you

Love alert, i?ve fallen, i need

Help, i?ve fallen and i can?t get up

Well.. i can?t get up or over you.. over you

Love alert, i?ve fallen, i need

(C C7 F Em Dm F)

I need you

(C C7 F Em Dm F)

Trying so hard to build that phrase

Not too many words and no clichés

I?m sure, sure- you've heard it a million different ways

Then you took my drink right out my hand

Without any idea what i had, and i knew

I was in trouble over you

I think i need help? i?m falling

(C Em Am7 Dm F)

Help, i?ve fallen and i can?t get up

Well.. i can?t get up or over you.. over you

Love alert, i?ve fallen, i need

Help, i?ve fallen and i can?t get up

Well.. i can?t get up or over you.. over you

Love alert, i?ve fallen, i need

(C C7 F Dm F)

I need you

(F Em Am7 Dm F)

Is there a button i can push to use?

I'm just falling so fast for you

Any chance that you're falling too?

'cause i would love to land in love

I think i'm fallin' but i just can't tell

I'm feelin' the feelings that i never felt

I think you feel it, but i just can't tell

I would love to land in love with you
