

# Gable Price And Friends - Repentance Reimagined

tom:

C

C

Never could move the stars  
Em  
Can't budge the Milky Way  
F

When the lights are gone and my?friends?move on  
C  
You?love me  
C  
I built my kingdom high  
Em  
A ?Babel of modern day  
F  
I lost the throne I built on my own  
C Em  
You love me just the same

Am7  
This is my repentance  
C  
I'm sorry  
Am7 F  
I love You  
C Em  
I'm coming home  
Am7  
This is my repentance  
C  
I'm sorry  
Am7 F  
I love You  
C Em  
I'm coming home  
C Em F C Em  
Oh oh

C  
Give me the grace to die  
Em  
Commencing the dawn of day  
F7M  
No higher truth or fading youth  
C G  
Can love me like You do

Am7  
This is my repentance  
C  
I'm sorry  
Am7 F  
I love You  
C Em  
I'm coming home, ooh-ooh

I'm coming home  
( F C F7M F C Em F )  
( C F Am C Em )

F F  
I built my kingdom, it collapsed at my feet  
C C  
I nurtured my idols, they betrayed me  
Am  
And I saw You standing on my prodigal street  
C Em  
Mouthing, "I love you, My boy"  
F F  
When the stars all fade on my golden robe  
C  
And my income fails to carry me home  
Am  
I see You standing with Your finest robe  
C Em  
Saying, "I love you, oh-oh"  
F F  
When every idol fails to comfort me  
C  
And my own skin and bones are stripped off of me  
Am7  
I'm gonna look at the Holder of eternity  
C Em  
And scream, "I love You"

Am7  
This is my repentance
